

Getting to Alpha Tower

On Foot from New Street Station

Leave **New Street** station by the main exit which leads to a downward ramp onto Corporation Street.

At the bottom of the ramp (HSBC is on your right) turn left onto New Street. Follow this road (past Superdrug, Boots, Pizza Hut and Habitat etc). At the top of New Street is Victoria Square, you will see a fountain on your right hand side. (Don't go as far as the stairs that lead up to the Council House).

Look straight ahead and you should see a big 'IRON MAN' statue. Behind the statue you will see a tall white office block – that's Alpha Tower.

Behind the Iron Man there are 2 sets of traffic lights one to its left and the other is behind the Town Hall (built in the style of a Roman Temple). Walk past the iron man and in front of the Town Hall to the crossing. Cross over the road and go through Fletchers Walk between the parade of shops and you will come to Alpha Tower.

On Foot from Snow Hill Station

From the main exit of **Snow Hill** station, turn right along Colmore Row and keep walking until you reach Victoria Square (Council House will be on your right, the fountain will be on your left). Cross the square and walk in front of the Town Hall (built in the style of a Roman Temple) to a crossing. Cross over the road and go through Fletchers Walk between the parade of shops and you will come to Alpha Tower.
